Re: Gordon, et al., v. Enhanced Recovery Company LLC
Case No. 20-cv-01416-SCD

Dear Judge Dries:

All parties in this action have reached a resolution of this action in principle. The parties are in the process of executing and exchanging documents. The parties expect that a stipulation or unopposed motion of voluntary dismissal will be submitted to the Court shortly, and within 45 days.

As such, Plaintiff respectfully requests that the Court not take any further action on this case. Plaintiff also suggests that the Court close this case administratively until a stipulation or unopposed motion of dismissal with prejudice is filed.

Very truly yours,
ADEMI LLP
